

Calling All Students:

Do you want a career in sports? Don't play but you're a Vikings or NFL fan? Do you enjoy cool technology?
If you answered **YES** to any of these questions we have a unique and fun event for teenage **GIRLS** and **BOYS**!

The NFL Alumni Association, in partnership with Microsoft, is pleased to announce a Pro Day Experience. This unique educational sports event is open to all girls and boys ages 18 and under. You will engage with former NFL players and coaches, as well as Microsoft experts and other sports professionals for a day of learning and fun!

www.NFLalumniproday.com

Teamwork, Technology, Careers in Sports:

- The NFL Alumni Pro Day is an opportunity for your students to participate in a unique experience working alongside former NFL players and coaches to promote team-building skills.
- The girls and boys participating will get “hands-on” experience with a Microsoft technology workshop. The workshop empowers students through computer coding, STEM curriculum and robotics plus showing how RFID Sensors, GPS Analytics, Electronic Interval Timing and other technologies are utilized in sports.
- The students will be introduced to a variety of sports careers with an opportunity to interact directly with professionals in many related fields including: positions with teams, sports marketing, ticketing, sports medicine, event management, facility construction, fan engagement, journalism & sports media.

The Minnesota NFL Alumni Pro Day Experience will feature former Vikings Head Coach Mike Tice plus Dr. Jen Welter, the NFL's first female football coach, along with numerous other former NFL players & coaches and sports professionals sharing their experiences and opening the possibilities to you for a career in sports!

The NFL Alumni Pro Day Experience is a national program with the very first event in Minnesota:

- **Sunday, November 11, 2018** - 2 sessions (Ages 18 & under)
- Location: **Eden Prairie High School** campus (Eden Prairie, MN)
- **Meals** will be served by Noodles World Kitchen (noodles.com)
- Everyone will receive a **high-performance shirt** as a member of the NFL ALUMNI PRO DAY team
- Everyone will get **custom “apps”** from Roberto and Microsoft (robertoapp.com)

Open to all students, athletes, & sports fans. ALL GIRLS & BOYS ages 18 + under welcome!

Activities include:

- **Careers in Sports** panel discussion with students interacting with experts from ALL aspects of sports!
- Actively going to engagement stations learning about the **technology used in team sports!**
- Coaching and personal **interaction with NFL Alumni players and coaches all day!**
- Engagement stations featuring Sports Science, Nutrition, Brain Health, Financial Goal Setting
- **Microsoft workshop** featuring Surface laptops & tablets, game coding, STEM curriculum and robotics
- **BONUS:** Attending NFL Alumni PRO DAY Experience and joining the PRO DAY Team includes invitations to attend Microsoft workshops in the Twin Cities throughout the school year at no additional charge.
